Dear Potential Partner,

We would like to invite you to support the upcoming "Heroes for Hope 5k" race event, which will take place on Sunday, November 17th, 2024, on the Claremont Colleges campus. This event is being coordinated by a combined effort of the Colleges, North Hills Church, and Foothill Family Shelter, along with others, and it promises to be an exciting and meaningful experience for all participants. All of the proceeds will benefit Foothill Family Shelter.

The Foothill Family Shelter provides vital services to homeless and low income families in our community. Through its various programs, the shelter helps families achieve self-sufficiency by providing them with housing, case management, employment assistance, and other essential services. The shelter's work is critical to the well-being of our community, and your support can help make a difference in the lives of the families it serves.

We are asking for your help in making this event a success. Your sponsorship will not only help us cover the costs associated with organizing the race, but it will also provide crucial funding to the Foothill Family Shelter.

In return for your sponsorship we will provide you with various benefits, including prominent recognition on our event website and social media pages, a pop-up tent in our festival area, as well as signage and other promotional materials at the event. Of course, you will have the satisfaction of knowing that you are making a meaningful contribution to our community as well.

We hope that you will consider supporting the "Heroes for Hope 5k" race event and the Foothill Family Shelter. Your contribution will make a difference in the lives of many families, and we are grateful for your support.

Thank you for your consideration.

Sincerely,

Tim Cress  
Lead Pastor
